Dear Valparaiso Community School Parents and Patrons:

As you know, we are in the middle of several building projects at nearly all of our school buildings. The purpose of this letter is to reassure you that we are taking the safety of our students, staff, and patrons who use our facilities very seriously. We are working closely with both the Valparaiso Fire Department and Valparaiso Police Department through our School Resource Officers, our Director of Maintenance, and our Campus Safety and Security personnel to make sure we stay ahead of safety concerns.

If you have any questions or concerns, please feel free to contact the building principal, or Dr. Julie Lauck, Associate Superintendent at the administration office.

In partnership for safety,

Dr. Julie Lauck, Associate Superintendent
