Dear Parents/Guardians and Students,

As we prepare to begin a new school year at VHS, there are several important items that must be addressed prior to our first day of school on Monday, August 13th.

1. 2018-2019 ONLINE REGISTRATION

Online registration is now open. You can complete this process through your Skyward Family Access account. You can also access the link from the VCS District website at <http://www.valpo.k12.in.us/> **Please complete the online registration process by Monday, July 30th.** Parents who need internet/computer access are welcome to complete the registration process at the VHS Main Office during office hours between 7:00 a.m. and 3:30 p.m. If you have questions or need assistance, please contact the VHS Main Office at (219) 531 -3070.

2. STUDENT SCHEDULES

2018-2019 student schedules will be available through Skyward Family Access by Wednesday, August 8th.

3. STUDENT ID CARDS

Students who did not take a school picture last year through VCS will not have a new 2018-2019 school ID ready for the first day of school. Students must have a VHS 2018-2019 school ID with them while at school or school functions. This ID is required for entrance to athletic events, purchase of school dance tickets and parking passes, and many other functions. **Students who did not take a school picture last year through VCS should come to the VHS Main Office to have their ID picture taken. Pictures may be taken between 7:00 a.m. and 3:30 p.m. Monday, July 30th through Wednesday, August 8th.** Please call VHS with any questions.

4. STUDENT PARKING PASSES

2018-2019 Parking Passes will be available for purchase beginning Monday, July 30th. Due to limited parking availability, parking passes will only be available to VHS seniors and students enrolled in vocational and VHS Alternative School at this time. After those passes have been distributed, passes will be available to juniors, followed by sophomores until all passes have been sold. The cost of the parking pass is \$20. The 2018-2019 passes are hanging tags, so students may purchase one tag for use in different family vehicles as long as the vehicles have been registered with VHS. **Students may not drive to school on the first day of school unless they have a 2018-2019 parking pass.** Disciplinary action will be taken for any student who attempts to park in the lot without a 2018-2019 parking pass.

5. VHS TECH DAYS (Incoming Juniors and Seniors ONLY)

Students entering grades 9 and 10 will receive their devices during homeroom on the first day of school, Monday, August 13th.
